30 Topic cards 主題卡
Custom cards 自選卡

Setup

Shuffle the cards and deal one card face down to each player. You'll need to grab a ballpoint pen if you choose to play with custom cards.

Everyone should now take note of both the **Talk** and **Listen** side of their card.

If players get a custom card, they should write the topic that is up for discussion on the card. These can be used for future plays. They should also think of what their question at the end of the game should be now. (See **custom cards** for more information)

Gameplay

The person who most recently got caught in an awkward small talk situation goes first. Players will read the topic written on the **Talk** side of the card out loud to the group.

Game Overview

Anything But Small Talk! isn't a game you sit down just to play. Think of it more as an accompaniment to game Night or a dinner party. It's something that can be played and experienced throughout the night; encouraging conversation & getting to know each other.

From there, all players will discuss and share their own stories based on the topic.

Note: The player whose card it is must clearly give the answer to the question written on the **Listen** side of their card (or to the question they have decided on if they are using a custom card) during the discussion.

Once the group feels that they are ready to move on to the next topic, another player will share the topic on their card for the group to discuss. Player order can be dependant on what players feel is the next best topic to move on to.

Goal of the Game

The goal of the game is to become the **best listener**.

At the end of the evening or after everyone's topics have been discussed, each player will ask the group the question that was written on the **Listen** side of their card (or the question they decided on for their custom card).

The group will then write down what they remember the answer to be. When everyone is ready, they will reveal their answers and players with the correct answer gets a point.

Players may choose to use the additional optional rule here that allows players who answered incorrectly to redeem themselves.

遊戲簡介

「吱吱斟」是一款你可以在遊戲夜或晚餐派對中派上用場的小工具。玩家除了可從中享受遊玩跟體驗的樂趣，更可打開相互的話匣子，從而了解對方更多。

Repeat until all questions have been asked. Player with the most points in the end is deemed **best listener**.

Optional Rule

After answers have been revealed, players who failed to answer correctly are given another chance to get a point; but at a risk.

They may choose another player and ask them a bonus question relating to the topic currently being resolved.

This bonus question can be whatever they like as long as the answer was clearly given during the topic discussion.

Should the chosen player fail to answer the question, the player asking will gain a point. However, should the chosen player answer correctly, they will gain an extra point instead.

Tiebreaker

Should there be a tie, tied players may ask each other a question based on the stories they have told during the night.

First player to fail to answer the question they're asked, provided other players answered theirs correctly, loses the tiebreaker.

Custom cards

ABST! also has custom cards. These are blank cards that allow players to write their own topics.

They can be hypothetical or factual, silly or serious, deep or light-hearted. Have fun with it!

You'll notice there is no **Listen** side on the custom cards. Cardholders should decide on the question they would like to ask at the end of the game before the topic is shared with the group and ensure they give the answer during the discussion.

遊戲準備

洗牌後向每個玩家發一張牌並朝下放。如玩家選擇使用自選卡需要一支筆備用。

每位玩家接著可就各自牌上「**斟斟**」的主題及「**吱吱**」的問題寫下重點幫助待會發言。

持有自選卡的玩家需要自行決定並寫下想要討論的主題（這些自選主題在本次遊戲完成後可供往後再次使用）。然後再決定想要提問的問題。

（詳情請參閱**自選卡**）

遊戲玩法

最近期有過尷尬對話的人擔任起始玩家。

玩家讀出「**斟斟**」上的主題，所有玩家開始就該主題作出討論並分享各自的故事。

註：讀出「**斟斟**」主題的玩家必須要在討論過程中清楚透露寫在「**吱吱**」上問題的答案（如持有自選卡，請根據玩家自行決定的問題）。

當所有玩家均認同可以推進到下一個主題，大家可以自行選出下一個最適合的主題作為其後的玩家順序。

下一位玩家可以就他手中「**斟斟**」上的主題作出分享讓其他玩家一起討論。

遊戲目的

整個遊戲的目的是要成為「**最佳吱吱人**」。

在遊戲尾聲，每一位玩家將展示各自的卡，並提問寫在「**吱吱**」上的問題（或持有自選卡者的自選問題）。

然後其他玩家需要寫下他們記憶中的答案。當各方完成後，請展示各自的答案，而回答正確答案的玩家們可獲得一分。

玩家们可在此刻選擇性使用進階規則讓回答錯誤的玩家獲得一個反盤的機會。

當問完所有問題，獲取最高分數的玩家當選為「**最佳吱吱人**」。

進階規則（可選擇性使用）

答案揭曉後，沒得分的玩家可獲得一次取分機會。

他們可任意選擇一位玩家，加碼提問一條跟現正解答主題有關的問題。

問題的答案必須已清楚包含在剛才的討論環節內。

如被選中的玩家答不上來，提問的玩家可得一分。

相反地，被選中的玩家如回答正確，就能再獲得一分。

決勝回合

假如有玩家平手打和，他們可以就剛才其中一個故事互相提問一條問題。

在其他玩家正確回答情況下，第一個回答錯誤的玩家將輸掉決勝回合。

自選卡

「**吱吱斟**」還有自選卡。你可以自行寫下想要分享的主題。

題目可以是虛構的 / 真實的、愚蠢的 / 嚴肅的、有深度的/輕鬆的。現在就盡情「**吱吱斟**」吧！

自選卡上的「**吱吱**」沒有提供問題。因此持卡玩家須在告知其他玩家「**斟斟**」主題前，先把想要在遊戲尾聲提問的問題自行決定好，然後在討論環節中透露有關答案。
